Transformative Climate Communities (TCC) TCC Program Workshops

The Strategic Growth Council (SGC) invites you to join us for a series of public workshops that will help inform the development of our new Transformative Climate Communities program. We will be releasing our revised "Draft Program Guidelines" on **February 8**. Workshop participants will gain a better understanding of our

latest draft and have the opportunity to ask questions and provide feedback. SGC looks forward to your suggestions during these sessions. For those who cannot attend, or prefer to submit comments in writing, SGC will also accept written comments until **March 13**. Please send all comments to tccpubliccomments@sgc.ca.gov.

Administration of TCC Program

- Multi-agency collaborative structure in place:
 - Steering Committee
 - Working Group
- History of SGC partnership with California Department of Conservation (DOC) for Sustainable Communities Planning Grants
- Administrative efforts draw from expertise of relevant SGC member agencies to develop application and grant management and evaluation processes

Administration of TCC Program

- SGC and DOC will develop a Memorandum of Understanding (MOU) to outline roles and responsibilities for program administration.
- DOC will perform a suite of grants management functions in partnership with SGC, including but not limited to:
 - Guidelines and application development
 - Solicitation release
 - Administration of review and scoring process
 - Contract execution
 - Grant progress monitoring and evaluation

Recommended Action for Council:

Approve the California Department of Conservation (DOC) to administer the Transformative Climate Communities (TCC) Program on behalf of the Strategic Growth Council (SGC).
